Respiratory Therapy.

Position I Am Seeking: Respiratory Therapy.

Background, Experience, & Education :

I graduated in June 2009 with an associate science degree in Respiratory Therapy.

I have been working in the medical field for seven years as a Nursing Assistant, caring for the elderly. I worked with the Eastside retirement community for five years. I worked with Mission Healthcare of Bellevue for three years at the same time working with East side Retirement. I joined University of Washington Medical Center in January 2006, working as a hospital assistant, caring for patients. Most recently I have been going to school at Seattle Community College where I earned my Associate Degree.
