Videographer or Video Editor

Position I Am Seeking: I am seeking work as a videographer or editor, be it permanent full time work, freelance, or for an individual project.

Background, Experience, & Education :

- *Understanding of most aspects of TV/video production, including editing, shooting, studio camera operations, lighting, and field audio.
- *Experience with non-linear editing programs, primarily Adobe Creative Suite.
- *Ten years of broadcast television experience.
- *Eight years of sports videography experience with both the University of Washington and Seattle Sounders FC.
- *Dependable, responsible, hard working, willingness to learn new things, a team player, and easy to get along with.

Education

1996 - 1997 Whatcom Community College Bellingham, WA
Took general transfer classes, internship at local TV station.
1998 - 2000 The Art Institute of Seattle: Seattle, WA
AA in Video Production
