Job Title: Warehouse, Material Handler, Warehouse Manager, Forklift, Customer Service

Position I Am Seeking: Warehouse, Material Handler, Warehouse Manager, Forklift, Customer Service, Truck Driver

Background, Experience, & Education :

I am looking to start a new career with a great company. I have lots of experience with material handling, scheduling, computers, warehouse equipment, dispatching, customer service, managing employees, delivery throughout Washington, stocking material, ordering products, etc.

If you are willing to train me, I believe I will become a great asset to your company. I have very good morals, I am a family man and I have lots of common sense.
