Job Title: STNA

Position I Am Seeking: I am just starting in this field; a position as a State Tested Nursing Assistant) STNA is what I am looking for.

Background, Experience, & Education : I was a machinist for 18 years with the same employer before being laid off. I decided to change fields for a more stable career for my family. I attend CSCC and intend to major in Surgical Technology. I currently have a 3.8 GPA after 4 quarters receiving A's in both NURC101 and NURC102. My clinical's were preformed at Westminster in November 2009. I am very eager to get started in this field. Any consideration for employment would be greatly appreciated. Thank you for this opportunity.
