

**SUNDAY SCHOOL @ HOME**

*Opportunities for parents to invest in the faith of their children*

Dear Preschool Parents:

Remember this Sunday is the Livestream for Worship in the Park. I've included a lesson that you can do with your family this week as well...on Abraham! Hopefully you've downloaded the Bible App by now, so you can do the two stories on the App. See links below!

**"Worship in the Park" Livestream, 9:45-11am**

Join in at: [www.westminster.org/livestream](http://www.westminster.org/livestream)

**Important information about this Sunday's Worship Service:** On August 30, Westminster will join in with other local churches for one online church service, streaming live starting at 9:45am. In-person attendance at Westminster won't take place on the 30<sup>th</sup>, but will resume the following Sunday (Sept. 6), when we return to our normal service schedule.

We hope to see you online on Sunday for this yearly community celebration; just go to [www.westminster.org/livestream](http://www.westminster.org/livestream) and you'll be redirected to Jubilee Reach's streaming page.

Let me know if you have questions.
