DONATE AT OUR POP-UP DONOR CENTER

Westminster Chapel | 13646 NE 24th Street | Bellevue, 98005

February 8th to 17th | 9 to 5

“Thank you for your donation to my son. He is undergoing cancer treatments and this is **truly life giving** for him. We are forever grateful.”

-The parent of a recent transfusion recipient

Every day, hundreds of people in the Pacific Northwest receive blood transfusions at local hospitals thanks to the generosity of donors at Bloodworks Northwest Pop-Ups and donation centers.

In February, Westminster Chapel is providing an opportunity for our local community to help support patients in need. **You can make your appointment [here](#).**

Donating blood is an essential and encouraged activity critical to sustaining community healthcare by providing a stable blood supply to patients at area hospitals. This one-hour donation appointment is a safe and essential action. **Pop-Up Donor Centers are being conducted in accordance with social distancing guidelines.**

Donate between 12/28 and 3/17 for a chance to win one of nine pre-selected automobiles provided in partnership with Haselwood Auto Group! Check out the terms and conditions at bloodworksnw.org/winacar.

No walk-ins, guests, or people under age 16 are permitted onsite, and masks are worn by all donors and staff. *Please see bloodworksnw.org/coronavirus for more information on steps we're taking to keep our donors and staff safe.*
